Ryde Eastwood Touch Football Club

I, Ron White, would like to nominate Mr Andrew Goggin for life membership of Ryde Eastwood Touch Football Club. In support of this nomination I submit the following.

Andrew has been part of our club for 30+ years. During this time he has always been there to help out and fill in when we were short of referees. He has represented the club as a player at many State Cups and when he retired as a player he took over from me driving the bus with the players and equipment to the Seniors State Cups.

Since becoming President he is at the Putney grounds, every Monday at 2:30 pm, getting everything organized so all the games can be on time and he is the last to leave. Andrew also gives even more of his time to support the junior state cup teams with their home and away trials before they go away.

For the last 10 years Andrew has been involved with the Junior State Cups, driving the bus full of equipment and helping out wherever needed.

Andrew has given a lot of his time and energy to help make the club what it is today and this is why I believe he is deserving of life membership.

Yours sincerely

Ron White
